**Jigokudani Wild Monkey Park (Snow Monkey)**  
 This may be the only place in the world where wild monkeys bathe in natural hot spring water. The Wild Monkey Park is in Jigokudani Natural Park which protects wild animals living in the Yokoyugawa River area. Visitors can observe closely many wild monkeys (Nihon zaru) fed by the park rangers. It is a more than pleasant scene seeing parent and child monkeys sitting in the hot water spa, warming up and washing apples and eating them.
